about

I am well organized, motivated, resourceful, deadline oriented and consistently willing to exceed expectations. I take great pride in my work, but I'm always open to feedback.

experience

Full-stack Web Developer :: **VectorSolutions** :: 2015-Present
Working as part of a Ruby on Rails team developing test-driven applications which integrate with the Learning Management Systems used by all of our sibling companies. Responsible for both server-side logic and front-end logic. Created our company's first cross-platform, mobile software application prototype using React Native.

Front-end Web Developer :: **VectorSolutions** :: 2012-2015
Worked developing solutions based on stakeholder requirements. Participated in requirement-gathering and design review meetings. Lead design and created interactive user interfaces for web applications with current technologies. Conducted usability testing. Provided new and exciting design ideas, methods and technologies.

Web Designer :: **VectorSolutions** :: 2010-2012
Responsibilities included maintaning five company websites; site redesigns; creating micro-sites and landing pages; designing third-party emails, landing pages, banner ads for use on our websites as well as those of vendors.

Web Designer :: **AAMP of America** :: 2009-2010
Designed banner ads. Developed and sent out all marketing emails. Created and updated all product and landing pages across eight company websites. Managed company eCommerce site by adding, removing and updating products; generating discount coupons and banner ads.

Designer/Developer :: **Freelance** :: 2006-2012
Designed advertising pieces, logos and websites for businesses.

Art Director :: **Academic Financial Services** :: 2004-2009
Odered all promotional and tradeshow-related items. Designed advertisements, brochures and printed materials. Helped create and maintain the company's internal and external websites.

education

International Academy of Design and Technology
Bachelor of Fine Arts in Web Development :: 2004
Associate of Science in Web Design :: 2002

Edu-Tech Center
Certificate in Microsystems Technology :: 2001
Courses taken including Programming (Visual Basic), Network Management, Web Programming, Operating Systems and Computer Hardware.
